

BEHAVIOR AND THE IMPACT ON THE DAILY LIFE OF A STUDENT

Presented by Audra Hastings, BCBA-LBA

This workshop is designed for all educators, physical therapists, occupational therapists, speech and language pathologists, licensed specialists in school psychology, and counselors working with students in the educational setting. This workshop will focus on understanding behavior, factors that influence and affect student behavior, and implementing functionally-based interventions and supports for students with challenging aggressive behaviors, difficulties with attention, executive functions, and trauma.
