# MEMBERSHIP FEEDBACK FOR THE RA TASK GROUPS

Provide feedback

The RA is looking for member feedback. Participate by providing comments with your support or concerns regarding current Requests for Action (RFA) and Motions before the RA Task Groups.
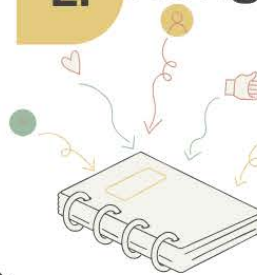

To contribute, follow these three steps:

1. Login to AOTA

You must be logged in to your active membership account.

2. Navigate to CommunOT

Locate the community named "2025 Member Feedback"

Review each thread 3.

Each Request for Action or Motion that will be part of the RA Task Groups will have its own thread. Provide feedback by replying to each thread separately.
