

TEXAS COALITION FOR  
HEALTHY MINDS

## ABOUT US

The Texas Coalition for Healthy Minds advocates for the health and well-being of all individuals living in our state impacted by or at risk of mental health and substance use disorders. Collectively our organizations represent thousands of doctors, psychologists, counselors, social workers, mental health professionals, and other advocates promoting policies that prioritize prevention, identification, treatment, and support.

## OUR MEMBERS

# OUR POLICY PRIORITIES

## 88TH TEXAS LEGISLATURE

Our members work in coalition to promote high impact policies across the spectrum of behavioral health.
