

**Summary of Qualifications:  
Bridget Kwami, OTR, MOT, NTMTC  
Candidate for TOTA Gulf Coast East District Vice Chair**

Bridget Kwami is an occupational therapist with experience in pediatric and community-based practice settings. She earned her Master of Occupational Therapy from Texas Woman's University in 2014 and has worked in a variety of pediatric settings, including the pediatric burn clinic at UT Health and home and community-based care with Therapy 2000/Green Apple Therapy.

Her professional experience includes working with children and families in high-acuity and community settings, with involvement in interdisciplinary collaboration and family-centered care. Through her clinical work, she has developed experience supporting clients across a range of pediatric and community practice environments.

While newer to formal leadership roles within Texas Occupational Therapy Association, Bridget has expressed interest in contributing to district engagement and professional connection. Her position statement emphasizes transparency, strengthening professional networks, and fostering a district community that reflects the breadth of occupational therapy practice.
