

**Summary of Qualifications: Chris Lasek, OTR, MOT**  
**Candidate for TOTA 2026 Treasurer**

Chris Lasek is an occupational therapist with nearly a decade of professional experience in rehabilitation and skilled nursing practice settings. He earned his Master of Occupational Therapy from Texas Tech University Health Sciences Center in 2016 and also holds a Bachelor of Science in Electrical Engineering from University of Colorado earned in 2003.

Chris currently serves as OT Team Lead at Shannon Rehabilitation Hospital and has previously worked in skilled nursing settings across Texas. His professional experience includes clinical leadership, interdisciplinary collaboration, and support of rehabilitation services across multiple care environments.

A member of Texas Occupational Therapy Association since 2015, Chris has served as Great Plains West District Chair since 2022 and previously served as District Treasurer from 2019–2022. His involvement with TOTA has included support of district continuing education programming, educational presentations, and participation in the TOTEL Emerging Leaders Program.

His position statement emphasizes transparency, financial stewardship, and the use of TOTA resources to support organizational impact and member value.
