

**Summary of Qualifications:
Dina Warren, MACM, OTR
Candidate for TOTA Great Plains West District Chair**

Dina Warren is an occupational therapist with nearly 30 years of experience across outpatient pediatrics, mental health, school-based practice, home health, and academic settings within the Great Plains West region. Her professional background includes practice at the Abilene State Supported Living Center, as well as work in school-based and outpatient pediatric therapy. She earned a Bachelor of Science in Occupational Therapy from The University of Texas at El Paso and a Master of Arts from Liberty University, and is currently in the dissertation phase of her EdD program.

Dina currently serves as an assistant professor at Abilene Christian University. Her professional experience includes roles as a practitioner, mentor, lead therapist, and educator, along with supporting occupational therapy students presenting posters at the annual TOTA conference.

She has served the Great Plains West District of Texas Occupational Therapy Association for the past three years as Standards and Practice Committee Chair. Her involvement has included providing a district continuing education course, presenting at the annual state conference, and supporting district and student engagement activities.

Her position statement emphasizes supporting practitioners and students while maintaining and strengthening collaboration within the Great Plains West District community.
